Highway 12-Jameson Canyon Construction Preparation Overnight Closures and Detours Scheduled For April

Napa and Solano Counties – The California Department of Transportation (Caltrans), the Solano Transportation Authority (STA), and the Napa County Transportation and Planning Agency (NCTPA) are preparing to widen Highway 12 through Jameson Canyon in Napa and Solano Counties.

As crews prepare to begin construction this month, they must first install safety barriers, called K-Rails, onto and adjacent to the roadway. The K-Rails will allow construction crews to work safely near traffic lanes.

To ensure worker and public safety during the installation, three nights of overnight highway closures are scheduled to start beginning on Monday, April 23rd at 11 p.m. and be completed Thursday, April 26th at 5 a.m. All work is weather permitting.

Closure Times and Locations

Highway 12-Jameson Canyon Road will be closed in both directions between Highway 29 and Interstate 80. The closures will start on Monday, April 23rd at 11 p.m. and conclude on Thursday, April 26th at 5 a.m. The closures are scheduled to start at 11 p.m. each night and conclude each morning at 5 a.m. Motorists should allow for extra travel time.

Highway 12-Jameson Canyon Detour

During the highway closure, westbound Highway 12 motorists are advised to use southbound Highway 29 to eastbound Highway 37 to eastbound Interstate 80.

Eastbound Highway 12 motorists should use westbound Interstate 80 to westbound Highway 37 to northbound Highway 29. Local access is available for Jameson Canyon residents and emergency vehicles only.

Caltrans will also install changeable message signs to help direct motorists. Please see attached map for more detour information.
